Ghost River Witbier

Ghost River Witbier is a Belgian style wheat beer flavored with orange peel and coriander. The use of unmalted wheat gives the beer a cloudy, “white” appearance. This unique coloring gives the beer its name. “Wit” is Flemish for “white”. The relatively high carbonation, along with the wheat, produces a thick, bountiful head when the beer is poured. Ghost River Witbier’s crisp and refreshing character is perfect for summertime. Often served with a slice of orange.

Pairings: Pairs well with a variety of dishes from salads to fruity desserts.
Try it with spicy Thai chicken breast.
